**MONDAY, JUNE 14TH.**  
**WILL BE FLAG DAY.**  
There has never been a time in the history of our country when it was more important for our citizens to emphasize by their acts their respect for our country's flag than it is right now. It stands for and in the emblem of liberty, equal rights and the protection of all our citizens. Our President is sparing no efforts that cultured patriotism, humanity and justice can bring to bear in this hour of world-shocking tragedies, nobly, calmly, yet firmly demanding by peaceable means if possible, the legal and just rights of every American citizen. Let's emphasize our appreciation of our President's noble work and our love for our flag and country by making June Fourteenth a red letter flag day. Decorate our business houses and homes. Organize by wards our children and our young men and girls. Have them select their own leaders. Have a flag in the hand of every one as they march down our streets to beautiful Mineral Wells park, eat our lunches and cream in that beautiful greenhouse, make a joyous and happy day in the lives of all our children, play with them their games, sing their songs, swing them, teter them, and if you can't do anything else, climb a tree and watch them do their stunts. Are you all for it? If you are not, you ought to be. Are you going to put a flag on your child's business house and home? If you don't you should be ashamed of being such a poor specimen of an American citizen. Do your duty and you will certainly reap a rich reward.
